PROFILE

Motivated and detail-oriented Web Development Fresher with a solid foundation in HTML, CSS, and JavaScript, and familiarity with modern frameworks like React or Angular. Completed academic projects that demonstrate an understanding of responsive design, cross-browser compatibility, and the development of user-friendly web interfaces.

INTERNSHIP

Indian server intern   1-MONTH
Ehical hacking

- During my internship program, I gained valuable hands-on experience in various areas of cybersecurity.
- This included conducting both automated and manual Web Application Vulnerability Assessments and Penetration Testing (VAPT), analyzing malware, understanding the fundamentals of digital forensics.

skill vertex intern   3-months
Web Development

- Developed and maintained responsive websites using HTML, CSS, and JavaScript, improving user experience and interface.
- Gained hands-on experience in PHP for server-side scripting and integrated dynamic content with web applications.
- Worked with SQL to manage and query databases, optimizing data retrieval and storage.

MyDailyWork intern
Web Development   1-MONTH

- During my internship, I gained hands-on experience in designing and developing websites. I worked extensively with front-end technologies such as HTML, CSS, and JavaScript to create responsive and user-friendly interfaces. Additionally, I developed backend functionalities using PHP and SQL, ensuring seamless integration and data management.

Website Makers intern   1-MONTH
Web Development

- Formulate and implement detailed marketing strategies and initiatives that support the company's mission and objectives. Guide, inspire, and oversee a dynamic marketing team, promoting a collaborative and performance-oriented culture.
